After graduating from UCLA's Full Stack Web Dev Intensive I am excited to find full time work as a Software Engineer. What sets me apart from other junior developers is my professional experience. For the past 8 years I have managed 2 successful coffee shops. I have tremendous work ethic, initiative, and the ability to get along with anyone.

Core Skills

Languages: HTML5, CSS/Bootstrap, Javascript/jQuery
Databases: MySQL/sequelize, MongoDB/mongoose
Front-End: React, Handlebars
Back-End: Node.js, RESTful API's, Ajax

Professional History

Store Manager
Peet's Coffee | 2016-present

- Managed successful coffee shop in Hollywood with team of 15
- Grew sales substantially during FY2020, even during pandemic
- Developed staff while maintaining one of company's lowest turnover rates

Software Engineering Tutor
August 2020 – Present

- Tutoring Bootcamp students, assisting with variety of technologies to help them with their projects and class assignments

Front End Designer
UCLA Art Dept | April 2020 – August 2020

- Using Sketch, Jekyll, and Bootstrap I created the front end template frameworks for the new art dept website

Software Engineer Intern
Spokeo | March 2020 – May 2020

- Worked with a team of 3 to build the back end framework for Spokeo's new Chrome Extension
- Custom built a web scraper using RegEx
- Helped build back end in React

educational history

UCLA Extension
Full Stack Web Development Bootcamp | 9/2019 – 3/2020

- Went from no coding experience to graduating top 2 in my class with an A average (while working full time in my primary job)
- Completed projects for a software company, an IT company, and a FinTech company
- Spent time off working on extra-curricular projects

Vassar College
Psychology & Film Production B.A. | 8/2004 – 5/2008

- Double majored with a 3.5 GPA
- Sang in Vassar College Choir all four years
- Elected Senior Class Treasurer, 2007-2008
- Received Dean's Award for service to the school, 2008
